## SKINCARE – SPECIALIST

Target Skin Therapy™ is a unique category with patented technologies specifically developed for targeted areas. It is a new step in the fight against premature ageing. These technologies can enhance, or jumpstart results in individual areas of concern.

They deliver targeted, visible, anti-ageing benefits

	<p><b>Cellular Recovery Serum with DNA Complex (50ml)</b> Cellular Recovery Serum with DNA Complex is the new step in the fight against premature ageing helping to reduce the signs of fine lines and wrinkles in just 4 weeks. Designed to accelerate or boost any anti-ageing skincare regime. It can be used as part of your normal routine, after cleansing and before the application of richer serums or creams. Containing unique DNA Enzyme Complex that mimics the body's own DNA Repair Enzymes helping to boost their effect on the skin. Promotes self healing to improve the appearance of fine lines, wrinkles and uneven skin pigmentation.</p>	<p><b>£92.00</b></p>
	<p><b>Lash Recovery Serum with Triple Lipopeptide Complex™(4ml)</b> Lash Recovery Serum is the first prostaglandin-free lash enhancer that utilises three different potent lipopeptides, which work in synergy for amazing results. Helping make lashes and brows look fuller, thicker and more voluptuous. Lash Recovery Serum provides fast, clinically proven results and is formulated specifically to reduce the potential for irritation.</p>	<p><b>£79.00</b></p>
